10 Insults in Spanish That Will Make You Laugh Out Loud

28/08/2020 - Ten funny Spanish insults to use in various situations are in one place. If you want to insult someone by comparing them to food, you can do it. You want to compare them to animals, you can do that too. But, be careful when and where you use them. People are different, and if you don’t know a person well, they may be quite offended, and perhaps they will want to know what are great insults that aren’t in English? And what do

22/12/2021 - The most common insults or swear in Romanian, my native tongue are: “Dacă puiea ma-ți”, which means go to your mom’s pussy, “du-te dracu” this one in english it translates like “fuck you”, but in Romania dracu= Satan.
